

Gail M. Van Tatenhove, PA, MS, CCC-SLP

Speech-Language Therapist & Augmentative Communication Specialist

8322 Tangelo Tree Drive
Orlando, FL 32836-5437

Thank you for your interest in my services.

Organizations contract with Gail for face-to-face seminars or workshops, webinars, teacher training sessions, special projects, etc. The following outlines general costs for these services.

Fee Schedule for Services: (effective 1-1-13)

- Speaking Fee for one and/or two day “lecture” style seminars = \$3000/day (for a whole or part day).
- Speaking Fee for a “Make ‘N Take” workshop IMMEDIATELY following a “lecture” style workshop = \$2000/day (for a whole or part day).
- Webinar Fee = \$150/hour for actual time spent on-line with participants presenting information and any scheduled question/answer period. This is for webinars that have already been developed. Customized webinars include a development fee, based on an estimate of time required to develop materials customized for your needs. Costs could range from \$300 - \$1000 for development costs (based on a rate of \$100/hour).
- Consultant Fee for a teacher training day that could include helping teachers/therapists with application in classes or with specific students - \$3000/day (for a whole or part day).
- Consultant Fee for Special Project Workgroups = \$500/day for on-site meetings with no student contact and or presentations or training, a minimum of 2 days services is required for meetings outside of the greater Central Florida area.
- Consultant Fee for Special Project Workgroups = \$100/hour for phone or computer meetings with no student contact, may require preparation and/or project activities.
- Consultant Fee for a Phone Meeting, with no additional post-call activities or services = \$75/hour.

*Expenses for travel are additional and would include, but not limited to the following expenses: airfare, airport parking/tolls/mileage, ground transportation, lodging, and meals. *Special fees might be added for services held outside of Continental USA/North America due to the additional travel time required.*
